

STABILO SMALL

Tricycle

With a STABILO SMALL, you stay self-reliant and mobile with the freedom to exercise and handle everyday tasks exactly when you want.

The model is similar to a regular bicycle with the safety of the third wheel. The frame is specially designed so that it is easy to get on and off, and the driving pleasure is great thanks to the lovely suspension and soft saddle.

STABILO SMALL is a popular choice with slightly walking-impaired young people as well as with adults of a height of less than 1.60 meters.

The STABILO SMALL is also available with an electric motor and all models can be tailored to your needs.

This tricycle is especially known for its comfort, durability and formidable roadability:

- » Easy to get on and off and safe to drive
- » Fantastic suspension and soft saddle
- » Extremely strong construction and a long working life of more than 10 years
- » 7 gears with/without reverse function
- » We tailor the tricycle to your specific needs and deliver it within 15 business days
