

## DISCO SMALL

### Tricycle for adults

DISCO SMALL is the tricycle for those, be it young or adult, who are walking-impaired, whose balance is impaired or both and who is of a maximum height of approx. 160 cm – and naturally also for those who just want a different bicycle.

If you experience difficulties getting on an ordinary bicycle and if you are unsure of balancing on the bicycle, DISCO SMALL is the tricycle for you. A comfortable sofa seat close to the ground guarantees that you can get on it easily as well as a comfortable and safe tricycle ride, every time. A DISCO tricycle means that you retain freedom and mobility in your life.

DISCO is available in three sizes and is ideal for both children and adults. DISCO SMALL is the smallest size in the series.

All our tricycles are known for their comfort, durability and formidable roadability. The DISCO tricycle is no exception:

- » Easy to get on and off and safe to drive
- » Comfortable sofa seat which can be easily adjusted backwards and forwards
- » Extremely strong construction and a long working life of more than 10 years
- » 7 gears with/without reverse function
- » We tailor the tricycle to your specific needs and deliver it within 15 business days
