

DISCO

Tricycle for seniors or disabled people

With the DISCO tricycle, you remain self-reliant and mobile with the freedom to exercise and handle everyday tasks whenever you want.

We recommend DISCO for the walking-impaired and people with impaired balance as well as those unsure about getting on a regular bicycle - and for those who just want a different bicycle. The comfortable sofa seat close to the ground guarantees you a comfortable and safe tricycle ride, every time! The model is for both children and adults.

The DISCO is also available with an electric motor and all models can be tailored to your specific needs.

The DISCO tricycle is especially known for its comfort, durability and formidable roadability::

- Easy to get on and safe to drive
- Comfortable sofa seat which can be easily adjusted backwards and forwards
- Extremely strong construction and a long working life of more than 10 years
- 7 gears with / without reverse function
- Also available as a Disco Medi for people with a maximum height of 160/165 cm.
- We tailor the tricycle to your specific needs and deliver it within 15 business days
